Condition Alerts

CONDITION ALERT

No

A "No" result reflects our database at the time of this check only. Condition Alert records can be filed after a vehicle is sold. MotorCheck cannot be held responsible for information recorded after this check. If you have any concerns, ask the seller to complete our Trade Buy-In Disclosure Form.

About this result

We have searched our database of over 4 million salvage and condition records and found no entry for this vehicle, at this time.

A "No" result means there was no condition alert recorded for this vehicle at the time of this check. It does not guarantee that a condition alert does not exist or will not be recorded in future.

Salvage data in the UK is gathered from a range of sources, with the majority coming from salvage auctions. While most records are received within 24 hours of a vehicle being sold at auction, some can take longer to appear depending on reporting times. In rare cases, a vehicle may be sold on before a salvage record is created.

MotorCheck reports reflect the information available at the time of enquiry only. MotorCheck cannot be held responsible for any condition information that is recorded after this check has been completed.

We recommend additional checks where:

- There have been multiple keeper changes in a short period
- The seller cannot directly verify the vehicle's history (e.g. broker or intermediary sale)
- The price is significantly below market value

If you have any concerns about a vehicle's provenance, ask the seller to complete our Trade Buy-In Disclosure Form. Responsibility for the accuracy of a vehicle's condition and history ultimately rests with the seller. This provides a documented basis for recourse against the seller, should new information emerge.

LISTING DETAILS

REDUCED TO £5000! 2016 MINI Cooper SD – Black – Half Leather – 88,554 miles
Advertised on behalf of my son. The torque yet economical 2.0 diesel engine.
Only £35 a year to tax! It's been a great car, well looked after and regularly serviced. It was his wife's car and only for sale due to the arrival of a new baby and have now bought a larger car so regrettably surplus to requirements. It has a manual gearbox and comes with MOT and service history. As you would expect for a car of this age and mileage, there are some age-related marks, but overall it presents well and drives very nicely. ● 2.0 diesel ● Manual ● 88,554 miles ● Black ● Half-leather interior ● MOT and service history ● Well looked after and regularly serviced ● Genuine private sale Car is located in Willington, Derby
